After a month office training/work and Astro break I have started pending consultations. Small ones first and big ones later.  
While consultations still not streamlined as I have to move to new house due to recent developments on March 17, 2020.  
The developments were disturbing normal flow of astrology and I believe I should go in flow to move to new house.

### **Case 1 - 25 years in Marriage and doubt by Husband for an affair - Punarvasu Pada 1 (My Focus)**

Consultation on 18-03-2020

**Click the image to enlarge.** To add Chart image like below refer to

**Background/Nimit** - I had some issues related to house a day before this consultation. However still went for this consultation even when was worried for me to be not in perfect mindset. Lady is house wife and into 25 years of marriage with issues in relation with husband recently even after having two kids studying in college. I was sceptical as how to talk to person as its difficult to believe affair after 25 years of marriage.

During consultation lot of my negative predictions went wrong initially due to my mindset and I was happy about it as her life does not have big issues and I changed my prediction style during call to counselling style and started telling her Stories of Ramayan. Lady have never contacted astrologers while someone convinced her of me so she tried contacting and satisfied.

**Predictions**

Prashna Predictions.  
Choose a number between 1-108

Ans. We are 6 sisters and Yes, My husbands thinks that I am having affair with my sister's husband. As we are very comfortable chatting on whatsapp. My only mistake was I deleted messages which made my husband suspicious. Even my kids have explained him that we know mom and we are with mom whole day nothing like that happen.

2. You mistreat servant, gate issues, You boost about your kids and pressure them for going high, You have big utensils at home- Old metal ones, you have charger//filter issues.

I am still doubtful here.

Ans. Yes, not much issues. Goes fine for weeks but when that topic comes then arguments for sometime then back to normal.

5. See, I am sure of my predictions and also sure from where the issue is coming from so stories will match for sure. Your story relates to 1994 around Feb you had an intense relationship with someone which is back firing now. Keeping your age in mind. I am just using the word intense while you can draw conclusions from it.

Ans. Why 1994 thing effecting now and how is this possible.

I get that you can use any word as now we are discussing openly.

Yes, I was around 20 years of age that time and start of year of 1994 I was involved with someone intensely. We were planning to marry and parents knew about it. As parents knew about it I was totally involved with that guy. However it didn't work out. It was a very short affair.

Prateek - It didn't also work because he was of different caste and culture

I went into counselling mode to make her understand how these things work

Told her story of Ramayana of Ram and Bharat - sibling rivalry, Conspiracy related to property, travelling, treatment with that of lower class people like Shabri, Kewat etc

Ans You know, One thing is strange. I read Ramayan everyday by lighting a Jyoti in front of it and reading 5-10 pages a day. Then how this is coming on me.

Prateek - Wow, I am sure story relates to Ramayan while you read it daily what a linkage! It means we are on right track.

I didn't notice this in chart but now I can see in chart where its coming from.

10. You are not reading the Ramayan you used to. You have disposed off a Ramayan book 2 years back.

Thanks for sharing!

Few questions so I can learn:

1st chart

1. Are you using Vimshottri for timing the affair, property and disposing of Ramayan?

2. What led you to do prediction # 5? I mean was it because of the current conflict with her husband, which led you to check if a similar event happened in the past?

3. Prediction # 10 - Was this on the basis of saturn in punarvasu?

2nd chart

1. Pets, fishes, diamond business, downfall - these were based on Mer+Ketu in 5th house?

1st Chart

1. Yes, I am using only Vimshottri in this chart and it was a small consultation so I didn't go deep in Chart
2. Again linking Saturn Throughout. While checking Vimshotri I got stuck in 1994. As in chart it shows 5th and 8th house lord with 12th house in saturn sign and exchange.
3. Yes, Saturn in Punarvasu. Whole focus was 5th house throughout and Saturn in Punarvasu.

Chart 2

Yes, Mer+Ketu in 5th house for Birds. Point 7 here is specific to 5th house.
