 father's best friend elder brother when went to their house in 7-9 class in teenager and was touching
 touji ke ladke ki shaadi main touch main
 yaha shaadi ke aas pass
 I got saved till now. Will some thing big happen in future related to it. I am very scared for it.

Lets see if your chart has afflictions and stories related to it.

You will not be able to reach her but try your best to reach and help. (Lagna Lord Venus(Female) with Rahu in 12th house of Hospital in sign of Aries with lord Mars (Blood) in 8th house (Emergency/sudden/Dying))

Ans. Prateek Ji, yeh agar ho gaya ho to already and she started crying again

Prateek - When did this happen and what happened

Ans - My best friend died that time. She was my study buddy and stayed with me for a month in February 2009.

After a week I came to know friend died due to suicide due to blood loss. 2009-march 9, feb main saath rahi thi, saath main padte the

Prateek - So it happened between 2008-2011

Ans. Also I lost my child hood friend who stayed in an house which she said being very negative and she may die to which native paid no heed and asked to carry on. Later her friend died as well as friend's mother got ill in such a way that whole body filled up with water and multiple organs failed. All happened very quickly in short span of time.

Ans. Yes Right by Intuition. I went to bua ji house once and I said to her that there is hidden pot under the house where cousin brother is sitting. To which mausi replied that how do you know and that's right there is hidden pot

16. But because of all above incidence specially all molestation you talked about you will not be able to trust guys and considering yourself as an object will start self hatred. This is reason behind your delayed marriage and diseases cropping up in lower abdomen and private areas. (Theme of chart is pointing to it)

Ans. I am able to overcome such incidences quick but not able to trust guys due to this only and worried about my future related to this only.

Great predictions again! But felt quite sad after reading.

Questions (as usual)

Prediction # 11 - Pending Karma - Did you use pada 1 of bharani as well? Also, unable to figure out the "won't be able to reach part"

Prediction # 15 - Hidden treasures - is this based on Mars in 8th house which is dispositor of Venus?

Thanks, Yes it was heartfelt counselling. I haven't heard some girl facing so many scenarios before.

Prediction 11 - I didn't directly link it with Pada 1. However she has lot of gold stories. Many times her gold snatching attempts happened. However she was always able to save herself.

Will not be able to reach being karmic as link with 12th house and 8th house.

Thanks Raja Ram Mohan Ji and Surinder ji for your kind words.

I tried to explain it to my best. However the reading was done by making chain and based on theme/picture getting clearer. This kind of reading is form of theme of chart discussed in form of counselling and bring out deeper secrets of personality.

Such readings done at night time and problem solving reading in day time.
